Several wineries emerged, and today NAPA is home to hundreds of producers ranging from Boutique to Corporate. Mountain Sub Demelations, located on the slopes overlooking the Avas Valley, include the STAGS LEAP district, Atlas Peak, Chiles Valley (Farther East), Howell Mountain, Mt. Veeder, Mountain Spring District and Diamond Mountain District. Vintage 2014 The latest in a series of excellent California 2014 conlA with a dry and smooth spring that starts the early budrama ensuring bloom ² and grape play smoothly and led to a soft and consistently mild summer with few spikes of heat. Photos are for viewing purposes only³ and may not reflect the actual product. We supplement our rams with grapes from the valley's most solid sites that produce more Chardonnays fuller, Chardonnay See all products One of the most popular and versatile white wine grapes, Chardonnay offers a wide range of flavors and styles depending on where it is grown and how ³ it is made. Prices shown are for this location only and may vary depending on location ³. Please call your local store for their price and availability. This allows us to create a rich yet elegant and complex Chardonnay that drinks nicely at launch, but ages gracefully in the bottle. The finish is clean with a good minerality of zing and persistent interlaced with pear and apple of limÄ ³ n. More than 30 years ago, Jack CakeBread arrived to photograph the Napa valley for a book and, while there, concerns his interest in a day that has a vision. Some family friends who own a ranch in Rutherford. In the 1960s, some key wine families established the area and converted their bets on the winemaking potential ³ the valley's world class, and tenÄ ³ n. Prices and rates subject to change. About those are the St. Helena lidos and the avapa more and the valley's hottest, Calistoga. These conditions fostered a constant maturation ³ our Chardonnay grapes that were harvested with concentrate. concentrated. For Online Purchase Additional information Reviews (0) Product Details Receive an additional 5% discount in-store for cash payment. California produces both oaky, buttery styles and leaner, European-inspired wines. While it tends to flourish in most environments, Chardonnay from its Burgundian homeland produces some of the most remarkable and longest lived examples. Wines from the mountain regions are often more structured and firm, benefiting from a lot of time in the bottle to evolve and soften. Within the Napa Valley lie many smaller sub-AVAs that claim specific characteristics based on situation, slope and soil. Prices shown are for the Smith Street store only.A A Please call your local store for their pricing and availability. He headed back up to the valley that same afternoon to make his best offer, and Cakebread Cellars was born.As the Cakebread family reflects upon the many profound changes in the wine industry over the last 33 years, such as inovative farming techniques and new methods of reaching out to consumers, they note that their key values have remained the same. \$29.25 \$308.97 / case(12) Description Vineyards our napa valley chardonnay comes primarily (91% in 2014) from grapes grown in the cool-climate carneros district at the southern tip of the valley. The viscosity coats the palate; it is weighty on the tongue yet well balanced with acidity. Cabernet Sauvignon is definitely the grape of choice here, with many winemakers also focusing on Bordeaux blends. Somm SecretÄÄÄThe Burgundian subregion of Chablis, while typically using older oak barrels, produces a bright style similar to the unoaked style. When he returned home that afternoon, the phone rang and it was the family friends offering to sell their property. Dedication to making the highest quality wines and a commitment to family has followed a continuum as their first small vineyard has grown into a thriving internationally distributed wine Napa's wine industry really took off in the 1980s, when producers collected vineyard land and planted vines throughout the county. Bay winds and fog, created when the warm interior air meets the fresh sea air, keep temperatures relatively low, making this wine region of California perfect for growing Pinot Noir and Chardonnay. Further south and fresher of the influence of St.Paul's Bay is Ram, followed by Coombsville to its northeast and then Yountville, Oakville and Rutherford. Napa Valley WineCalifornia View all products One of the most appreciated regions in the world for wine production, as well as tourism, the Napa Valley was responsible for bringing world recognition to California winemaking. Anyone who doesn't like Chardonnay will like Chablis. Napa's whites are usually Chardonnay and Sauvignon Blanc. YNG283 681_2017 Reference 516 983 GeographyCarneros extends along the southernmost parts of the Sonoma and Napa Valleys and is located north of São Paulo Bay (a branch of San Francisco Bay). Subject to the fog and the refreshing breezes of the nearby bay of san pablo raneros enjoys a long growing season that ripens its fruit completely while retaining the brilliant acidity that gives the wineries of chardonnay cakes its freshness and vitality. Varietal / Type 4.6 44

Ratings This wine has a beautiful and floral nose with fresh citric, orange and white peach, but the real pleasure is in the mouth. These areas follow the valley floor and are generally known for creating rich, dense, complex and smooth red wines with good aging potential.
