Reading Cursive This will generate a worksheet where students must identify their spelling word when it is written in cursive. I also updated the layout of the spelling worksheet maker to hopefully be more user friendly. And as always if you happen to notice something not working right or something looking wonky or even just have a suggestion, please let me know. News April 21, 2022 - Update to Spelling worksheets Maker (Writing in Cursive Activity) Hey all, So the spelling worksheet maker has been updated with a new type of activity. Writing in Cursive This will generate a worksheet where students can practice writing their spelling words in cursive. I'm also still working on misc site updates as well as creating a bunch of new math sheets. And as always if you happen to notice something not working right or something looking wonky or even just have a suggestion, please let me know. Advertisement Free Unlimited Practice Problems Let students practice as much as needed with the one at a time option. Create Your Own Spelling Assignments The spelling sheet maker let you create over a dozen different worksheets. Modified Sheets Modified sheets are great for introducing a topic or making an easier sheet. Daily / Spiral Reviews Create a weekly refresher in seconds with the create-a-review. Thousands of Flash Cards Just select Flash Cards on any worksheet to generate custom flash cards. Easy Scoring Score papers quickly with CommonCoreSheets' easy score reader. Quick Grading Grade assignments in seconds with CommonCoreSheets' answer column. Create Quizzes Create-a-Sheet lets you create professional looking worksheets with no hassle. Multiple Languages Multiple languages to choose from! Favorite Sheets Add sheets to your favorites list with the click of a button. Sheet Layout Customize worksheets with font size, title, instructions, a due date and much more. Math Drills Practice makes perfect with simple mathematical facts.
